Re: Computation of sentence  
Date: 11-25-05

I need your help the sentence you imposed on 2-7-02 is not being computed correctly. The BOP refuses to grant me credit for A fully concurrent sentence. Their stance is tha A judge doesn't have the authority to grant anyone credit for time served on A state sentence prior to the date A federal sentence was imposed. My state sentence was imposed on 7-2-98 and my initial federal sentence was imposed on 7-20-99. The BOP is computing my sentence from 7-20-99 instead 7-2-98. On 2-7-02 you ordered that my sentence be ran concurrent to the sentence imposed by the Superior Court of Delaware on 7-2-98. Please help me get this mistake correctly handled. My attorney at sentencing was Mr. Raymond Radulski Esq.

I've followed all the rules in the BOP and participated in numerous self help groups. I'm currently awaiting participation in the 500 hr. RDAP program. My goal is to get home to help my family and to stay out of trouble. Please if possible modify my sentence to reflect your intentions of A concurrent sentence beginning 7-2-98? Your help will be appreciated.

Thank You
